

APPLICATION OF THE SERVICE PROVIDER

for access to the Service Metadata Publisher (SMP) system

In accordance with the Peppol Service Provider Agreement, the Peppol service provider (hereafter referred to as 'the Applicant') submits an application to the Peppol Authority of the Slovak Republic for access to the Service Metadata Publisher (SMP) system.

By submitting this form, the applicant is requesting access to the SMP system. They acknowledge that access will only be granted once all the administrative and technical requirements of the accreditation process have been fulfilled.

To create a user account in the SMP system, applicants must provide the following information and submit confirmation of a Peppol production PKI certificate.

1. Identification of the applicant for the registration of data in the SMP system

Business Name / Company name:
Company headquarters:
Country:
Business ID:
TAX ID:
Website:

2. Contact person of the applicant for the registration of data in the SMP system

Name and surname:
Email address:
Telephone number:

3. Technical details of the applicant

OpenPeppol Participant ID:
PASK ID:
Webhook URL: ¹⁾ ²⁾
Confirmation of the Peppol production PKI certificate (attachment) yes / no*

- 1) This URL address is used to send a verification token from the Financial Administration of the Slovak Republic (FR SR) for the purposes of SMP. Leave this field blank if you do not plan to use the webhook.
2) Fill out this document, sign it, and save it with an active URL address in PDF format.

By signing, the applicant confirms the accuracy of the information provided and agrees to use their access to the SMP system in accordance with the Peppol network rules, the Peppol Service Provider Agreement, the Accreditation Scheme of the Peppol Authority of the Slovak Republic and the relevant technical documentation.
